MCCOGS Celebrates 50 Years

How to Duplicate the Tree Design

1. **Insert the image into Word**
   - Click **Insert** > **Pictures** > **This Device** and select the tree image.
2. **Resize**
   - Click the image, then drag a corner handle to make it larger or smaller.
3. **Wrap Text**
   - Click the image, then click the **Layout Options** icon and choose **In Front of Text**. This lets you move it freely.

4. **Copy and Paste (if needed)**
   - Right-click the image and choose Copy.
   - Go to your document and press Ctrl + V to paste.
5. **Adjust Colors (optional)**
   - Click the image, go to **Picture Format** > **Color** and choose a tone that matches your design.
6. **Save for Future Use**
   - Right-click the image and choose **Save as Picture**. Store it in a folder for
